

BED FOOTBOARD PANEL

Assembly Instructions
For all sizes

1011

1 Parts in this Box.

Panel x 1

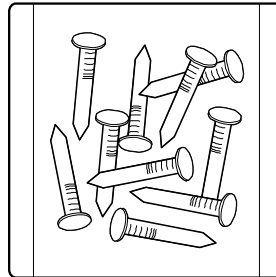

2 Hardware in this Box.

Metal Plate
x 2

16mm Wood Screws
x 8

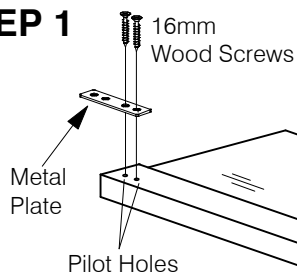

Bag of Small Nails (8pc)

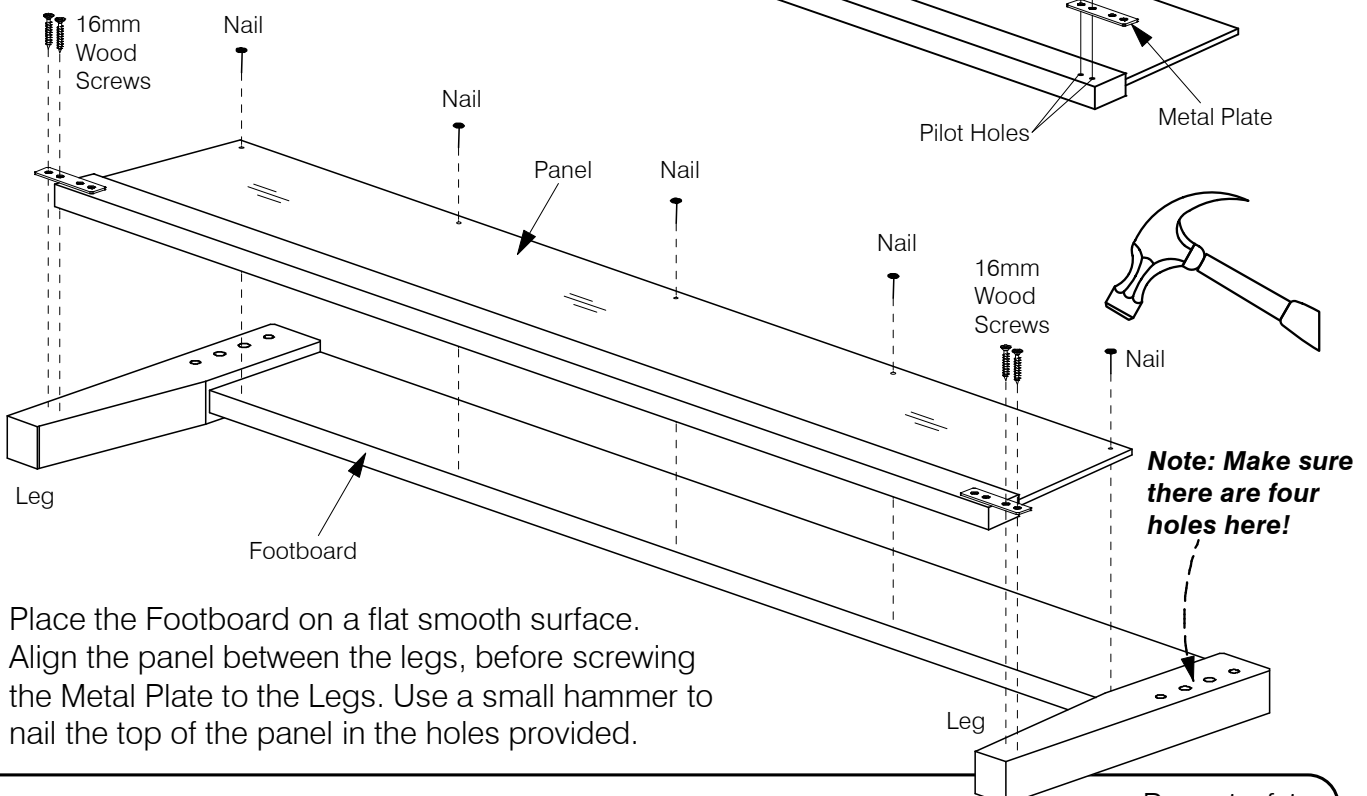

Note: There are enough nails for the King Size Panel, so you may have some left over.

3 Assembly

STEP 1

STEP 2

Place the Footboard on a flat smooth surface. Align the panel between the legs, before screwing the Metal Plate to the Legs. Use a small hammer to nail the top of the panel in the holes provided.
